1 | Visualizer: Adrian Iancu The first apartment from visualizer Adrian Iancu takes the vertical design idea and runs with it. A lofted bedroom area might seem like a natural solution for a super small space, but the design here is particularly well executed. A custom built staircase climbs up to the bedroom, using the same wood that makes up the compact kitchen and breakfast bar.

Designing For Super Small Spaces: 5 Micro Apartments

The Victorian Government has published a discussion paper, which outlines a number of possible additions to its apartment design guide, with a focus on the way new developments relate to the existing environment. The Better Apartments Design Standards, which covered a range of controls including building setbacks, room sizes, natural ventilation and private open space, was released in 2016 and came into effect in 2017 .
