correct CPT and ICD-10-CM codes to report for each case scenario based on provided documentation, evidence of sufficient medical necessity, and any conditions present that would allow for Hierarchical Condition Category capture.

## **JustCoding's Clinical Scenario Workbook: 2020 CPT® Edition**

Also, knowledge of the coding guidelines can help you to eliminate answers from the choices that you know cannot be correct. — SusanC The tips that worked for me were: (1) get a timer (that does not make noise) and allow one hour for each column. Mark the ones that you know will give you problems and just skip them.
