Culture Education Policy Sandra Stein

Focusing on the creation and history of Title I of the Elementary and Secondary Education Act (ESEA) from its inception in 1965 to the present, Stein shows how underlying assumptions of policymakers and bureaucratic red tape actually interfere with both educational practice and the goals of the legislation itself.

Thoughts and Wonderings ...

According to Stein, the very act of policy making can victimize the policy recipients, creating continuous cycles of failure in schools, lives, and society. The underclass, or throw-away kids, produced by this culture of educational policy can be freed, Stein asserts, but this achievement requires determined and continuous focus on increasing
