Uncovering History is a collection of three digital units for World, Western, and U.S. History that provide tools History instructors can use to teach historical thinking skills. This component-based approach of Uncovering History offers maximum flexibility to instructors in how they assign individual units.

History - Oxford University Press

In Uncovering History, renowned archaeologist Douglas D. Scott offers a comprehensive account of investigations at the Little Bighorn, from the earliest collecting efforts to early-twentieth-century findings. Artifacts found on a field of battle and removed without context or care are just relics, curiosities that arouse romantic imagination.
