Receivers are stamped "Remington 870
Police Magnum" as of 2014. They are

Online Library Remington 870 Magnum Repair Manual

equipped with Police-specific walnut or synthetic stocks which are fitted with sling mounts. Walnut stocks lack checkering as found on the Express/Wingmaster models. 870P models come with matching walnut or synthetic forends that are shortened to prevent interference with most vehicle-mounted rack systems.

Pump-loading issue with Remington 870 Express Super Magnum? I just bought this thing a few weeks ago and haven't even put 100 rounds through it and every once in a while, the shells won't load out of the magazine tube when I pump the action. I then have to disassemble the action and put it back together, and the problem
