lives—all over things that never even happened. In this new five-part series, we're examining the origins of the panic, tracing back through the decades to see how the fear of Satan's influence in society swept across North America.

All episodes of Serial Killers - Chartable

Episode One discusses 'The Monster Within And Among Us', and discusses Jack The Ripper (even though he's not American), since he is pretty much the first recognized serial killer. Since a lack of real footage is obvious, this episode uses footage from an old black and white movie, loosely based on Jack The Ripper.
