The charismatic edge : the art of captivating and ...

Operationalizing Lewin's (1951) three-phase process for changing social values with semiotic analysis leads to two distinct strategies for generating innovation (shown in Fig. 3). Both scenarios assume a starting point of dominant and compatible personal-social values. In the first case, individual members of society desire current conventions; in the second, they fear innovation.

Charismatic leadership: Strategies for effecting social ...

The charismatic leadership is considered a double-edge sword because "Charisma" can be applied both ethically to advance the social and organizational goal(s) and unethically to attain personal gains and achieve personal goal(s).
