Ever since it was implemented as a political project of the post-World War II reality in Western Europe, European integration has been credited with performing conflict-resolution functions. The EU allegedly transformed the long-standing adversarial relationship between France and Germany into a strategic partnership.

The Europeanisation of conflict resolution - Regional ...

It describes the Europeanisation of conflict resolution as a non-traditional area of Europeanisation related to the capacity of European Union policies and discourses to alter or subsume the organisational logic of the process and induce behavioural change on behalf of the conflict parties.

Europeanisation of conflict resolution: theory and ...

It argues that the evolution of the policy mix, resources, framing influences and political opportunities - through which European integration affects conflicts and processes of conflict resolution - demonstrates a historical trend through which the EU has become an indispensable factor of conflict resolution.

The Europeanisation of Conflict Resolutions

Here we define Europeanisation for the particular context of conflict settlement and resolution as: a mechanism and a process at the same time which is activated and encouraged by European institutions by linking the final outcome of the conflict with the degree of integration or association of conflict parties with European structures.

Europeanisation & Conflict Resolution

This book examines the relevance of European integration for conflict settlement and resolution in divided states through a comparison of four case studies: Cyprus, Serbia and Montenegro, ... The enlarging EU is increasingly drawn into secessionist conflicts on its southern and eastern peripheries.

Europeanization and Conflict Resolution: Case Studies from ...

Abstract: This paper investigates the example of Cyprus as a case study for the Europeanisa- tion of conflict resolution. The argument advanced is that the European Union (EU) impacts the positions of the parts of the conflict (here, Greek Cypriots, Turkish Cypriots and Turkey) but not always towards the resolution of the dispute and compliance with EU conditionality.

The Europeanisation of Conflict Resolutions - Boyka ...

the resolution of Europe's outstanding conflicts. The EU itself represents conflict resolution on a grand scale, from the mega case of Germany and its neighbours, through to many smaller cases where complex ethnic and border situations have been problematic in the past, but have found peaceful solutions in the contemporary European context.

Europeanisation and Conflict Resolution

European Union citizens have come to believe that they stand for civilised conflict resolution. This belief seems at times to be something like the Holy Ghost, always present and pervasive in our souls, surely goodness itself, but difficult to put your hands on.

Europeanisation and Conflict Resolution: Testing an ...

Conflict resolution is the process by which two or more parties reach a peaceful resolution to a dispute. In the workplace, there can be a variety of types of conflict: Conflict may occur between co-workers, or between supervisors and subordinates, or between service providers and their clients or customers.

Conflict Resolution: Definition, Process, Skills, Examples

The argument advanced is that internalisation of the conflict limits the ability of the EU to act in the dispute and triggers inflexible policies, which are counterproductive to resolution. This work contributes to the Europeanisation discussion and the impact of the EU on domestic policies, especially in conflict situations.
